Disclaimer

This report has been prepared by Marmore MENA Intelligence, a fully owned subsidiary of Kuwait Financial Centre K.P.S.C (Markaz). Markaz is regulated by the Capital Markets Authority and the Central Bank of Kuwait. The report is owned by Markaz and is privileged and proprietary and is subject to copyrights. Sale of any copies of this report is strictly prohibited. This report cannot be quoted without the prior written consent of Markaz. . Any user after obtaining Markaz permission to use this report must clearly mention the source as "Markaz ". The report is intended to be circulated for general information only and should not to be construed as an offer to buy or sell or a solicitation of an offer to buy or sell any financial instruments or to participate in any particular trading strategy in any jurisdiction.

The information and statistical data herein have been obtained from sources we believe to be reliable but no representation or warranty, expressed or implied, is made that such information and data is accurate or complete, and therefore should not be relied upon as such. Opinions, estimates and projections in this report constitute the current judgment of the author as of the date of this report. They do not necessarily reflect the opinion of Markaz and are subject to change without notice. Markaz has no obligation to update, modify or amend this report or to otherwise notify a reader thereof in the event that any matter stated herein, or any opinion, projection, forecast or estimate set forth herein, changes or subsequently becomes inaccurate, or if research on the subject company is withdrawn.

This report may not consider the specific investment objectives, financial situation and the particular needs of any specific person who may receive this report. Investors are urged to seek financial advice regarding the appropriateness of investing in any securities or investment strategies discussed or recommended in this report and to understand that statements regarding future prospects may not be realized. Investors should note that income from such securities, if any, may fluctuate and that each security's price or value may rise or fall. Investors should be able and willing to accept a total or partial loss of their investment. Accordingly, investors may receive back less than originally invested. Past performance is not necessarily indicative of future performance.

Kuwait Financial Centre K.P.S.C (Markaz) may seek to do business, including investment banking deals, with companies covered in its research reports. As a result, investors should be aware that the firm may have a conflict of interest that could affect the objectivity of this report.
