Profile

I am currently pursuing my B.Tech in ECE specs in computer engineering. I am passionate about pursuing my course. I enjoy solving technical problems and researching and developing new innovative ideas for various platforms. I enjoy meeting new people and working with them in a team environment. My strong communication skills allow me to do this well. I am a quick learner with a fun, outgoing personality. In addition, an avid reader by passion and a keen interest in public policies deprives me of a sense of civic duties. I excel in my ability to work and handle stressful situations very well. These skills that I have will be a benefit to any organization.
